NCCCO Crane Operator Training
Telescopic boom TLL (Swing Cab) - Telescopic boom TSS (Fixed cab)
www.nccco.org for more info, study guides and rules

Crane Specialists, Inc. and our Crane Coach, will be hosting a NCCCO class beginning on **Monday March 11, 2019, and will continue throughout the week**. Monday, Tuesday and Wednesday will be classroom time, while Thursday and Friday will be used for practical testing as needed. Written classroom training and testing will be performed at Lititz Family Cupboard in Lititz, PA. Practical testing will be done at our facility in Manheim, Pa. Lunch will be provided classroom days. Applicants will be taken on a first come, first serve basis. We welcome applicants who wish to retest or recertify. **This course is intended for operators with experience. It is not designed to be an operator's development course.** Call for details.

If you currently hold an NCCCO license, and you are within 12 months of expiring, upon passing the recertification, or written test, you will have 5 additional years added to the end of your current expiration date.

- 03/11/19** **Monday-** Training starting promptly at 7:30 a.m. and will continue throughout the day. Please report to Lititz Family Cupboard Restaurant, 12 West Newport Rd, Lititz Pa. **A light breakfast and buffet lunch will be provided.**
- 03/12/19** **Tuesday-** Training starting promptly at 7:30 a.m. and will continue throughout the day. We will be meeting at Lititz Family Cupboard for training. Practical test practice will be in the afternoon at our shop at 70 East End Drive, Manheim, PA. **A light breakfast and buffet lunch will be provided.**
- 03/13/19** **Wednesday-** Training starting promptly at 7:30 am (Crane Specialists Conference Room), and will continue throughout the day. We will be doing practical practice and exams (for those who are ready) in the afternoon at our shop. **Doughnuts for breakfast and Subway for lunch will be provided.**
- 03/14/19** **Thursday-** The written exam is scheduled for 8:00 am and will be held at Lititz Family Cupboard. As candidates finish their written tests, they will begin practical exams at our shop in Manheim as needed. **Pizza will be provided for lunch.**
- 03/15/19** **Friday-** Practical exams will be held as necessary until completed.

Items to Bring:

- Candidates must have a current DOT physical card or get a physical from your doctor (using NCCCO form) before practical exam. Let me know if you need a NCCCO Doctor form.

Cost:

- **New applicant** total Cost will be **\$1,995.00/person** which includes \$175.00 to IAI (International Assessment Institute) to cover written examination fees. The testing must be paid for in full prior to the start of the class. This will cover TSS and TLL.
 - Total cost to **"Recertify"** for TSS and TLL will be **\$1,355.00**, which will include written training and NCCCO fees for Core exam, TSS and TLL specials. If you are a recertification candidate, you do not need to take a practical test and will be finished mid-day Thursday. A **"Cancellation Fee"** of **\$300.00** will be charged if candidates back out of the class within two weeks of the class taking place.
 - Lattice Boom (LBC) practical's might be offered dependent on our availability of a Kobelco. Cost for practical is **\$600.00**.
1. Candidates **MUST** possess operating skills and **MUST** have operating experience if expected to pass practical portion.
 2. Candidates **MUST** possess basic reading, writing and math skills in order to pass the written portion
 3. Well-equipped cranes and practice time are included in the program.
 4. Please call me with any questions you may have or to confirm how many are attending.
 5. Additional practice time on the cranes by appointment.
